Coffee Bar Ministry

Coffee Bar Ministry

Helping people experience the love of Christ through the warmth of our coffee and kindness.

THANK YOU FOR YOUR INTEREST

We are excited you are interested in serving in our coffee bar ministry. The coffee bar is a simple expression of God's love as we create relationships through coffee and conversation. This information sheet is intended to help you take the next steps to serving with us in our Coffee House Ministry.

WHAT WE ARE ALL ABOUT

The Coffee Bar is a part of our First Impressions Team whose goal is to create a one-of-a-kind on campus experience by sharing God's love with others in a practical way. Through the simple act of serving coffee, hot chocolate, water and often baked goods, we connect with people in a simple non-threatening way. The coffee bar is a place where relationships are encouraged and friendships are formed.

YOUR NEXT STEPS

1) COMMUNICATE WITH OUR TEAM LEADER

Our Coffee Bar Team is led by Susan Szymanski. Susan coordinates the volunteers for our coffee bar and trains our volunteers on the various aspects of making the perfect cup of coffee.

Contact Susan and let her know of your interest in serving so you can schedule a time to observe and try out the ministry.

2) SCHEDULE A TIME TO OBSERVE

Once you have contacted our team leader Susan, schedule a time to come in and observe the coffee bar in progress. Plan to arrive around 45 minutes prior to the worship service you attend for a time of observation.

3) TAKE ADVANTAGE OF TRAINING

The equipment in the coffee bar requires specific training and orientation. Therefore, everyone who serves in the coffee bar will receive proper instruction and training. While much of this may take place “on the job”, occasionally there will be specific coffee bar training events.

4) TEST DRIVE THE MINISTRY

When you have contacted our team leader, scheduled a time to observe and received some on the job training, you are ready to test drive the coffee bar ministry and see if you enjoy it. Try serving there a few times and see if the coffee bar is right for you.

MAKING A DIFFERENCE

Our Coffee House makes a big difference in people’s lives every week through coffee and conversation. Please pray about your involvement in the coffee house & consider how you can serve with us. If you have questions, please contact our team leader mentioned above. God bless you and thank you for your time.
