Compassion Ministry

Compassion Ministry

Helping people experience the love of Christ through personal kindness, benevolence and compassion.

THANK YOU FOR YOUR INTEREST

Thank you for considering serving in our Compassion Ministry at Oak Hills' Journey Fellowship Campus. We are all called to extend compassion with our lives every day as believers. As a campus, we extend compassion specifically in a variety of ways. While there are different ways to serve in the compassion ministry, each of them is important.

UNIQUE WAYS TO SERVE

These are the 3 different ways you can serve in our compassion ministry.

- **AGAPE MINISTRY**

Agape is a Christ-centered social organization that helps people in need with food, clothing, and other essential needs.

As a church, we try to help people with individual needs based on the area where they live if at all possible. Our Area Communities are located according to local high school districts such as Steele, Clemens, Judson, New Braunfels, Roosevelt & Madison.

DETAILS: Step up and help coordinate compassion projects for your area. You will work with the elder who oversees the area community where you live.

YOUR NEXT STEPS

1) **COMMUNICATE WITH LEADERS**

Reach out and contact the leaders listed under the specific compassion ministry role you are interested in. When you speak with them, you can ask questions and get more information.

2) **TEST DRIVE THE MINISTRY**

After you contact the ministry leader, they will help you test drive the ministry. Now you can decide if you would like to serve regularly and how often you would like to participate.

MAKING A DIFFERENCE

Your efforts to help us extend compassion will make a significant and eternal impact on those you serve. If you have questions, please contact our ministry leaders mentioned above. God bless you and thank you for your time.
