## **This Week**

*Use the following resource to engage with God as a family this week.*

**Read Chapter 1: *The Beginning of Life as We Know It* in *The Story for Little Ones/Children/Kids***

### **Talk About**

1. What was God's rescue plan for Noah and his family?
2. What is God's rescue plan for us?

### **Do Together**

Spend some time going on a walk in your neighborhood or nearby park. As you walk, point out and talk about the animals God created. Challenge your family to see if they can find one thing God created for each letter of the alphabet.

End your walk at a mirror or a place where you can see your reflection. What you see is God's crowning creation. Remind your children that they are created in God's image. Let them know how proud of them you are. Talk about some of the things you appreciate about them and tie that into how those characteristics are from God. Encourage them to always follow God and his will for their lives.

### **Pray Together**

*Dear God, thank you for making me and all of creation. Help us to always put you first in all we do and remind us always that we have been created in your image and that you love us so much. Amen.*
