

TODAY

This morning in Bible class I learned about:

**Joseph: From Slave to Deputy Pharaoh
from Genesis 37; 39; 41:1-45:7**

The main idea from this morning was:

**God worked things out for Joseph's good.
God knows what's good for me.**

ASK ME

Use these simple questions to help get your kids talking about today's topic.

- 1. How did Joseph have to be patient?**
- 2. What can you learn from Joseph about being patient even when you can't see how things will work out?**

This Week

Use the following resource to engage with God as a family this week.

**Read Chapter 4: *Out of Egypt*
in *The Story for Little Ones/Children/Kids***

Talk About

1. How did God provide for the Israelites when they left Egypt?
2. How does God provide for you?

Do Together

Grab a flashlight and bring your family to a dark room, turn off all the lights in the house or go outside when it is dark. Explain that according to the Bible, God led the Israelites at night with a pillar of fire. Tell your family that you're going to play a game of 'Reverse Hide and Seek.' Instead of one person counting and everybody hiding, the person holding the flashlight will hide and everybody else will count. After everybody count, let them search for the person hiding. Once that person is found, let him hide again. This time after everybody has counted, wait a couple minutes and then turn on the flashlight before anybody finds you. Let other family members take turns hiding.

1. Was it easier to find the hidden person when the flashlight was on or off?
2. How does God's light deliver us and keep us safe?

Pray Together

Dear God, thank you for protecting us with your Word and your promises. Help us to see you working in our lives every day. In Jesus name, Amen!
