

# EVERYONE HAS A STRENGTH!

## *What's yours?*

**A BELONG Person:** You naturally lean toward connecting people in your neighborhood, and on your campus. You love a great neighborhood barbecue, or welcoming people when they arrive on the campus.

**A GROW Person:** You enjoy helping others grow deeper in their faith, and relationship with Christ. You are energized through Bible study, hearing the weekend sermon, or discussing spiritual growth.

**A SERVE Person:** You are passionate about mobilizing people to be the hands and feet of Jesus. You like helping your neighbor mow their lawn, delivering a meal to someone in need, or helping out with a project on campus.
