FAMILY STUDY

This Week

Use the following resource to engage with God as a family.

**Read THE STORY Chapter 26: *The Hour of Darkness*
in *The Story for Little Ones/Children/Kids***

Do Together: In a poignant act of service, Jesus washes the disciples' feet at the Last Supper. He was the ultimate leader and the ultimate servant. As parents, display that same kind of servant leadership by washing your children's feet. You'll need a basin of warm water and a towel. The idea isn't to scrub and clean the person's feet. You just need to gently bathe the feet with water and dry them with a towel. As you wash their feet, tell your children the way you want to serve them (i.e. by providing food and a place to live, by showing them how to serve Jesus, by encouraging them to be their best). After you've washed your children's feet, give them the opportunity to wash yours. If they want to, your children can let you know how they want to serve you.

Talk About:

- 1 .What most surprises you about Jesus washing his disciples' feet?
2. Do you think it was hard for Jesus to wash Judas' feet, knowing that Judas would soon betray him?
3. What are some other ways that Jesus showed the disciples that he loved them?

Pray Together:

Dear Jesus, we give you all the praise and glory for your suffering and death on our behalf. Thank you for defeating sin and death. Help us as we look for ways to serve others with the kind of love you have for us. Amen.
