## PURPOSE

Oak Hills Preschool serves as an outreach ministry of Oak Hills Church at Crownridge.

We serve families of our community by offering quality early childhood education in a safe, loving Christian environment.

We strive to foster the development of every child in our program and help them grow spiritually, socially, emotionally, and intellectually.

## MISSION

Oak Hills Preschool nurtures children's growth and development by expanding their spiritual, emotional, cognitive, physical, and psychological horizons through the art of play.

Play opens the door to discovery, learning who they are and how they fit into the world around them. Our approach to learning through play builds Christian character, virtues, and values, and brings children to an understanding of God.

## CURRICULUM

Our curriculum is original, not "off the shelf." All learning at OHC Preschool is centered around the world God created and how each of us fits into that world. We start with what young children know, what interests them, and tap into their innate curiosity to learn more about their world and the people in it. We build on the familiar and comfortable, and expand their understanding from that starting place: All about Me, my family, my neighborhood, what is going on in the world around me: these are key to the developmental stage of 3, 4 or 5 year olds.

## TEACHERS

Our teachers are educated in education. Passionate about young children and the way they learn, our teachers are motivated by seeing their students succeed and unlocking the potential in every child. They are professionals in the field and followers of Christ.
