

# EVERYONE HAS A STRENGTH!

## *What's yours?*

**A BELONG Person:** You love to get people together, to have a BBQ or a party. You enjoy helping people find a place where they can relax and be themselves.

**A GROW Person:** You love to help people go deeper in their faith and relationship with Christ. Opportunities like a Bible study or discussing Spiritual Growth is what gets you going.

**A SERVE Person:** You love to mobilize people to be the hands and feet of Jesus. You'd rather get sweaty mowing someone else's lawn than get cozy in the family room or leading a small group discussion.
