

Oak Hills Church Members and Guests,

We have some exciting news to share with you! Aside from accessing the Unshakable Hope bible study plan through the YouVersion app, you are now able to choose your own start date. Before, the plan would begin when it was downloaded but now you can customize the start date to begin with your group. We have included the instructions, and step by step so you can follow along:

1. Search Unshakable Hope – Courage
2. Click Start plan
3. You can click on the link that says With Friends
4. You can choose the start date for the plan and choose either today or a future date depending on what your group decides
5. Then you will click where it says Invite friends
6. And it will give you a link that you can share through text, email, etc.

We are so pleased to share this exciting new feature with all of you and hope this becomes a helpful tool for your community groups.
