GLOBAL OUTREACH MISSION & VISION

Mission: *We are the Body of Christ called to be Jesus in every neighborhood in our city and beyond.*

OHC Global Outreach supports this mission by equipping believers for global witness, through:

- **Prayer** – God will lead and empower all our efforts as we abide in him.
- **Evangelism** – Taking the Good News wherever God leads us.
- **Discipleship** – Equipping local leaders around the world who are making disciples, translating and distributing scripture, and planting churches.
- **Service** – Providing opportunities for the Oak Hills body to grow spiritually through Short Term Mission Trips, cross-cultural service and prayer.
- **Compassion** – Responding with Christ-like compassion to critical needs through trusted partners around the world.

Our **Vision** is to produce locally-led communities of the body of Christ worshiping God and transforming neighborhoods and cities around the world.

ARE YOU CALLED TO SERVE ON A SHORT TERM MISSION TEAM IN 2018?

"For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many." (Mark 10:45)

One of the many ways we encourage the Body of Christ to reach out to others is through short term mission trips. These trips, ranging from one to two weeks in length, are intended to provide you with a glimpse of life outside of what you're used to. They stretch and grow your faith, while sharing the love of Christ through service and health care initiatives in countries like El Salvador, Nicaragua, Haiti, Africa, and more. Through the generous donation of your time and skills, countless lives have been touched and seeds of faith planted around the globe.

Mission trips are offered throughout the year with emphases on areas including village outreach, medical and dental care trips, and more. Such trips are made possible due to strong relationships with long term missionaries in each country we serve and friendships with local village leadership. Regardless of your experience or language knowledge, professional background, your spiritual gifts, and God given talents, YOU can be used on this trip. Remember... "God doesn't call the equipped, God equips the called."

We invite you to pray about the potential role you could play in an Oak Hills Church mission trip and ask for God's guidance.

TRINIDAD YOUTH COMMISSIONING TRIP: MARCH 10-17

Trip Focus: Youth Commissioning.

After arriving in the Caribbean, you and your team will participate in one week of training and outreach. Each day, your team will be trained in a spiritual discipline. Then, you will be given an opportunity to apply that discipline by going home to home with a local church. Working with the local church will allow you to build lasting relationships with Christians who share your mission and passion to reach the un-engaged. Each day will begin with a time of intimate prayer and worship, followed by a time of training and equipping before we send you out to engage people at their homes. At the end of the trip, your team members will be commissioned to return home and continue reaching the un-engaged in their community. We believe that, as your team sees lives change as souls come to know Jesus, you, too, will be transformed and inspired to continue to engage people with the Good News of Jesus Christ when you return home.

Every home for Christ operates under three unalterable convictions. They are:

1. The Great Commission must be taken literally. At present, systematic literature distribution, home to home, village to village (with recorded or repeatable messages for those who are illiterate), is still the best means to ensure the task is completed. (Read Mark 16:15)
2. Without unity, breaking the task of world evangelization is impossible. Thus, the cooperation of all evangelical groups is essential to fulfilling our objective. Already more than 500 evangelical missions groups and denominations have participated in the Every Home for Christ outreach. Without these groups our goals would be unattainable. (Read John 17:21-23)
3. Prayer, alone, will remove every obstacle that stands in the way of fulfilling the Great Commission. Therefore, prayer is the most important element in the entire campaign. The degree to which prayer is embraced will be the degree to which the world is evangelized. (Read Mark 11:23-24)
