Who are our "partners" in Chichicastenango, Guatemala?

OHC short term teams partner with Quiche village families in the beautiful mountain areas of Chichicastenango, where OHC Minister Pat and Carol Hile and their family were fulltime missionaries many years ago. Through the church family relationships, Pat & Carol Hile continue to maintain & mentor in leadership through conferences & training exercises each year. OHC has the opportunity to partner with many of the rural churches Pat & Carol Hile and many others sowed years ago. We also partner with "Missions Frontier." This organization serves communities through their partnership with local Pastors, in providing many types of relief efforts and developmental projects. This mission journey provides OHC teams the opportunity to partner in providing medical, children & adult outreach (through Bible dramas, praise, crafts, and activities) in various remote village areas

to the Quiche people, in further aiding the brethren in their efforts to minister to their communities. These STM trips have created a wonderful partnership & friendship as we serve alongside one another for God's Kingdom vision. Past teams have ministered in many ways: medical, dental, children & adult ministry, along with training in the following areas: children and adult ministry, recovery, teaching, leadership, and choir, etc.
