Who are our native partners?

Bantayan for Christ Missions is our partnership team. We will be working & serving alongside of native pastors & leaders. One is Pastor Jason and his staff of ministers; another is the church that Grace Alota and her husband (now with the Lord) founded in 2005, known as "The Christian Faith Bible Church."

We will be ministering alongside these native servants on Bantayan Island & many of the nearby islands, accessed by boat.

We will also partner with The Latrielle Family, who are now serving in Cebu. The OHC team and our native team will share the physical and spiritual blessings with those in need. We will share medical outreach and children's/adult ministry outreach in the island's villages, as designated by our native leadership.
